

WOOLWORTHS

Woolworths Free Range Beef and Lamb

Woolworths Free Range Beef and Lamb are sourced from farmers who are known for good management of their flocks. Their animals have full traceability, no growth hormones or routine antibiotics and no animal by-products are allowed in their feed when grazing is sparse.

Woolworths Free Range Beef and Lamb are based on the following 5 freedoms:

- Freedom from hunger and thirst
- Freedom from discomfort
- Freedom from pain, disease or injury
- Freedom to express normal behaviour
- Freedom from fear and distress

Our farms and abattoirs are routinely audited by SAMIC to ensure compliance to Woolworths Free Range guidelines.
