## FREE RANGE PORK

LIBERDALE FREE RANGE PORK

8 May 2018

1. Pigs are bred, grown and finished in large outdoor paddocks.
2. No growth hormones or routine antibiotics are used.
3. Feed is vegetable based, no animal products or animal by-products are fed to them, including milk.
4. Animals have full traceability.
5. Based on the five freedoms:
  1. Freedom from hunger and thirst.
  2. Freedom from discomfort.
  3. Freedom from pain, disease or injury.
  4. Freedom to express normal behaviour.
  5. Freedom from fear and distress.
6. Farm, abattoir, meat processing plants, wholesalers and retailers are routinely audited by SAMIC to ensure compliance to LIBERDALE FREE RANGE PORK specifications.
